

**(C//SI) New Session Added: Brown Bag on 'Persona Session Collection'**

FROM: [REDACTED]  
SIGDEV - Strategy and Governance (SSG)  
Run Date: 10/28/2005

(C//SI) An additional brown bag presentation on "Persona Session Collection" has been scheduled:

**What:** Brown Bag Session with [REDACTED], Target Analysis Center Technical Lead (One more session)

**Topic:** Persona Session Collection (PSC) -- Classified at TOPSECRET//COMINT//X1

**When:** Thursday, 03 November 2005 at 1100 to 1200

**Where:** TAC Conference Room, 2B3104

(C//SI) Due to popular demand, SIGINT Development Strategy and Governance (SSG) is pleased to announce a third session of CRSK 1500, a brown bag session on Persona Collection. The discovery and collection of high-value target communications require the deployment of a strategy through which strong selectors are applied against metadata-rich technologies and accesses and which are used to tip off other technologies and accesses. Metadata analysis will yield target discovery and new more powerful strong selectors. The distributed collection approach includes identifying a particular target's communications, tipping between accesses, associating many aggregate session parts, and presenting all of a target's communications to the analyst via a single workstation and viewer.

(C//SI) The session will begin with an overview and status of PSC, followed by a focus on PSC challenges. The overview will outline how PSC integrates with other SSG initiatives such as the:

- implementation of SID's Metadata Strategy (CONDENSER),
- the Master Association Manager (MAM),
- the Unified Targeting Tool (UTT), and
- GLOBALVISION.

Additionally, relationships to external programs such as:

- CT production,
- the Persona POD (#38),
- TURBULANCE,
- TRAFFICTHIEF,
- WEALTHYCLUSTER 2.0,
- X-KEYSCORE,
- UIS, and
- content repositories

...will also be addressed.

(U//FOUO) **To register for this session:** military and civilian employees can call [REDACTED] or send an e-mail to the "mpgteam" alias. You will need to mention that this is a CRSK 1500 course, noting the date and time of the class. You will also need to provide your social security number.

(U//FOUO) If you are a contractor, please contact [REDACTED] or [REDACTED] at [REDACTED]. In order to attend this session, you must have approval from your COR.

(U//FOUO) Note: Attendees will receive NCS course credit by signing in on the day of the

session. If you register for this session and do not attend, you will not be permitted to enroll in future sessions per NCS regulations.
