

**(U//FOUO) Jobs Available in the CT Mission Management Center**

FROM: Charlie Meals  
Signals Intelligence Deputy Director  
Run Date: 08/31/2005

(S) As part of a continuing commitment to better posture the Signals Intelligence Directorate to fight and win the Global War on Terrorism (GWOT), MG Quirk and I recently [established the Counterterrorism Mission Management Center](#) (CT MMC) -- a center envisioned to ensure that the NSA/CSS Extended Enterprise and partner resources are fully optimized, with operations synchronized across the USSS to disrupt and defeat terrorist organizations with global reach or transnational capabilities. SID is now fully engaged in identifying the right personnel to staff this critically important addition to the Enterprise's counterterrorism arsenal.

(U//FOUO) The CT MMC is seeking proactive individuals with working knowledge of the global SIGINT enterprise, who enjoy working in a fast-paced, dynamic environment. You will find specific information regarding the MMC's current vacancies at:

(U//FOUO) While all the current vacancies are for positions in the Operations Support Division and require shift work, the schedule has been designed to allow ample opportunity for training, personal development, and leave. I'd like to strongly encourage you to consider applying for one of these challenging and critical positions, where individuals will have the opportunity to truly make a difference while contributing to the NSA/CSS's number one priority: the Global War on Terrorism.
