(U) We are proud to announce the publication of the second annual Signals Intelligence Enterprise Accomplishments Report. This report communicates to our workforce, stakeholders and customers the progress we have made during a historical year for the U.S. and the Intelligence Community. The 2003 SIGINT Enterprise Accomplishments Report captures some of the key SIGINT success highlights of the year and our strategies for moving forward in 2004. The report can be found [HERE](#) ... have a look!
